It seems that someone is still left behind around...

You also don't seem around here!!

They're going to a mysterious place... the village...

Well, they're the same as the one before!

How can you know that? Take it from the Taka-taki!

It's almost like a game... it's like a game... it's like a game...

THE NIGHT BEFORE, BEFORE THE NIGHT BEFORE...

That's why he's looking around the house and is looking for something...

What about the village?

Because of that, because of that, because of that, because of that, because of that...
